THE MINISTER OF COMMERCE AND INDUSTRY
(SHRI PIYUSH GOYAL)

(a) to (f): A Statement is laid on the Table of the House.

**STATEMENT REFERRED TO IN REPLY TO PARTS (a) to (f) OF LOK SABHA
STARRED QUESTION NO. 113 FOR ANSWER ON 09th FEBRUARY, 2022
REGARDING “WELFARE OF TEA GARDEN WORKERS”.**

(a) to (f): Tea Board has implemented welfare activities under Human Resource Development (HRD) component of the “Tea Development and Promotion Scheme” during the Medium Term Framework period from 2017-18 to 2019-20 and extended till 2020-21, aimed at improving the health and hygiene of workers, education of wards of workers and imparting training to improve skills for growers/workers. The “Tea Development & Promotion Scheme” approved for implementation by Tea Board during the 15th Finance Commission period from 2021-22 to 2025-26 has a component for the welfare of small Tea growers and their workers.

Tea Board has provided the assistance of Rs.25.78 crore towards the welfare of the tea garden workers and their wards/dependents during the period from 2016-17 till 2021-22 (up to January, 2022) covering 36516 beneficiaries in All India.

The working condition of tea garden workers in the country are governed by the Plantation Labour Act (PLA), 1951. The Act requires the employers to provide the workers with housing, medical facilities, sickness and maternity benefits and other forms of social security measures. There are provisions for educational facilities for the children, drinking water, conservancy, canteens, creches and recreational facilities for the benefit of the tea plantations workers and their families in and around the work places in the tea estates. The welfare provisions of the Plantation Labour Act, 1951 have now been subsumed in two labour codes- the Occupational Safety, Health and Working Conditions Code, 2020 and Social Security Code, 2020. The Plantation Labour Act, 1951 is implemented by the State Governments.

There is no delay in disbursement of subsidy. Financial assistance of Rs. 119.03 crore has been provided by the Tea Board under the “Tea Development and Promotion Scheme” to the tea gardens of North Bengal during the last five years and current year [2016-17 till 2021-22 (upto January, 2022)]. Tea Board disburses subsidies to eligible tea stakeholders as per budget provisions and approved scheme guidelines. All cases where subsidy was sanctioned have been disbursed, hence there is no pendency.

A provision of Rs. 200.00 crore was provided in the Budget of Tea Board for 2021-22. Sanction process for Rs. 200.00 Crore under BE has not been completed.

UNSTARRED QUESTION NO. 1180
TO BE ANSWERED ON 09th FEBRUARY, 2022

EXPORT OF AGRICULTURAL PRODUCTS/PROCESSED FOOD ITEMS

1180. SHRI C.N. ANNADURAI:

SHRIMATI MANJULATA MANDAL:
SHRI OMPRAKASH BHUPALSINH ALIAS PAWAN RAJENIMBALKAR:
SHRI GAJANAN KIRTIKAR:
SHRI SELVAM G.:
SHRI DHANUSH M. KUMAR:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) the quantum of value added agricultural products/ processed food items exported to various countries during each of the last three years and current year along with the net foreign exchange earned from such exports;
- (b) whether the share of India in the global trade of value added agricultural products and processed food items is very low in comparison to other developing countries, if so, the details thereof and the reasons therefor;
- (c) the steps taken to promote the export of processed food items from the country along with the incentives provided to exporters for the purpose during the said period; and
- (d) whether the Government has taken any decision to permit the export of processed food even if a restriction is imposed on export of the basic farm produce and if so, the details thereof and the reasons therefor along with its impact on the prices of such goods in the domestic market?

ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्रीमती अनुप्रिया पटेल)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SMT. ANUPRIYA PATEL)

- (a) Details of India's exports of value-added agricultural products/ processed food items during the last three years and the current year are at Annexure.
- (b) Data on share of India in the global trade of value-added agricultural products and processed food items is not maintained.

- (c) Promotion of exports of agriculture products, including processed food products, is a continuous process. The Government has taken several steps at State/ District levels to promote exports. State specific Action Plans have been prepared and State Level Monitoring Committees (SLMCs), Nodal Agencies for agricultural exports and Cluster Level Committees have been formed in a number of States. Country and product-specific action plans have also been formulated to promote exports. It has also been decided that the District as Export Hub Initiative of the Department of Commerce would be utilized to achieve the objectives of Agriculture Export Policy.

A Farmer Connect Portal has been set up for providing a platform for farmers, Farmer-Producer Organizations (FPOs) and cooperatives to interact with exporters. Buyer-seller Meets (BSMs) have been organized in the clusters to provide export-market linkages. Regular interactions, through videoconferences, have been held with the Indian Missions abroad, to assess and exploit export opportunities. Country specific BSMs, through Indian Missions, have also been organized.

The Government has also introduced a Central Sector Scheme – ‘Transport and Marketing Assistance for Specified Agriculture Products’ – for providing assistance for the international component of freight, to mitigate the freight disadvantage for the export of agriculture products.

The Department of Commerce provides assistance through several other schemes, to promote exports, including exports of processed food products viz. Trade Infrastructure for Export Scheme (TIES), Market Access Initiatives (MAI) Scheme etc. In addition, assistance to the exporters of processed food products is also available under the Export Promotion Schemes of Agricultural & Processed Food Products Export Development Authority (APEDA), Marine Products Export Development Authority (MPEDA), Tea Board, Coffee Board, and Spices Board.

- (d) Yes, Sir. The Agriculture Export Policy provides that the processed agricultural products will not be brought under the ambit of any kind of export restriction (viz. Minimum Export Price, Export duty, Export bans, Export quota, Export capping, Export permit etc.) even if the primary agricultural product is brought under some kind of export restrictions. This step is aimed at providing a stable policy environment for non-essential agricultural products and encouraging exports of processed/ value-added products rather than the basic commodities. As quantity of exports of value added agricultural/ processed food items vis-a-vis total domestic production is not very high, the impact on domestic prices is likely to be insignificant.

ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्रीमती अनुप्रिया पटेल)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SMT. ANUPRIYA PATEL)

- (a) & (b): Government has released Rs 56,027 crore in order to clear pending export incentive dues to exporters, which is for various Schemes namely: Merchandise Exports from India Scheme (MEIS) - Rs 33,010 crore, Service Exports from India Scheme (SEIS) - Rs 10,002 crore, Rebate of State and Central Taxes and Levies (RoSCTL) - Rs 5,286 crore, Rebate of State Levies (RoSL) - Rs 330 crore, Remission of Duties and Taxes on Exported Products (RoDTEP) - Rs 2,568 crore and other legacy Schemes like Target Plus Scheme (TPS), Focus Product Scheme (FPS) etc. - Rs 4,831 crore. This includes support for exports made under RoDTEP and RoSCTL Schemes during the 4th quarter of FY 2020-21. It is estimated that such benefits would be disbursed to more than 45,000 exporters, out of which majority would be in the Micro, Small and Medium Enterprises (MSME) category.

- (c): Clearance of dues under these Schemes is dependent on meeting the eligibility criteria by the applicant exporter, whose applications are scrutinized for any deficiency. Accordingly the detail of exporters' dues state-wise is not maintained.
- (d): To reach the target, some of the key schemes/interventions taken by the Government are:
- i. The Foreign Trade Policy 2015-20 has been extended upto 31.03.2022 to provide a stable regime during the COVID-19 pandemic, wherein Schemes such as the Advance Authorization Scheme and the Export Promotion Capital Goods (EPCG) Scheme are being implemented to enable duty free import of raw materials and capital goods for export production.
 - ii. Remission of Duties and Taxes on Exported Products (RoDTEP) Scheme has been introduced with a budget of Rs 12,454 crore for FY 2021-22.
 - iii. Rebate of State and Central Levies and Taxes (RoSCTL) Scheme for apparel and made-up exports has been extended till March 2024 with existing rates.
 - iv. Transport and Marketing Assistance (TMA) scheme for specified agriculture products is being implemented to provide assistance for the international component of freight and marketing of agricultural produce and to promote brand recognition for Indian agricultural products in the specified overseas markets.
 - v. A common digital platform for Certificate of Origin (CoO) has been launched to increase Free Trade Agreement (FTA) utilization by exporters.
 - vi. Monthly monitoring of exports for 200 countries and 31 commodity groups is being done.

AGRICULTURAL TRADE

1240. DR. AMAR SINGH:

Will the Minister of **COMMERCE & INDUSTRY** (वाणिज्य एवं उद्योग मंत्री) be pleased to state:

- (a) the details of the agreements aimed at expanding the scope of agricultural trade between India and other countries during the last three years;
- (b) the details of the nation's stance at the WTO negotiation table for agricultural trade of other countries with India;
- (c) whether the Government has conducted any studies to measure the country's capabilities in agricultural exports along with its future prospects; and
- (d) if so, the details thereof?

ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्रीमती अनुप्रिया पटेल)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SMT. ANUPRIYA PATEL)

- (a): Under the India-Mauritius Comprehensive Economic Cooperation and Partnership Agreement (CECPA) signed in February 2021 and implemented with effect from April 2021, Mauritius has offered import duty concessions to India's agricultural products
- (b): At the WTO negotiations, India has been making efforts to obtain a permanent solution to the issue of public stockholding for food security purposes. On the issue of agricultural domestic support, India is of the view that the WTO Agreement on Agriculture provides considerable flexibility to the developed members to provide huge trade distorting domestic support and further, to concentrate the subsidies on a few products. This asymmetry needs to be addressed on priority in agricultural reform, however, without shifting the burden of reduction of agricultural subsidies to developing countries and preserving the special and differential treatment provisions in the agreement. In addition, India, along with other members, has been demanding Special Safeguard Mechanism (SSM) for developing countries, which is another mandated issue for agricultural negotiations at the WTO.

(c) & (d): A High-Level Advisory Group (HLAG) was constituted by the Ministry of Commerce and Industry to assess the global environment and make recommendations for boosting India's share and importance in global merchandise and services trade; managing pressing bilateral trade relations; and mainstreaming new age policy making. HLAG submitted its report in September 2019 containing macro recommendations as well as sector-specific recommendations, including for the agriculture sector.

(c): In order to facilitate farmers in realizing the better price of their crops, the Board organizes Buyer Seller Meets in various parts of country, to establish direct market linkage between farmers and exporters/processors. In addition to this, Spices Board has introduced cloud based e-auction system for cardamom for transparency and better price discovery thereby ensuring remunerative price for the cardamom farmers. Further, Spices Board, with a view to empower the farmers to get better price realization and wider market for their produce, has established eight crop specific Spices parks in the production / market centers. The objective of the park is to have integrated operation for cultivation, post harvesting, processing and value addition, packaging and storage of spices and spice products.

ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्रीमती अनुप्रिया पटेल)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY
(SMT. ANUPRIYA PATEL)

(a) to (d) : The import of toys, games, sports equipment is exhibiting a declining trend both from China and the World. In order to restrict the import of substandard toys, the Government has issued Toys (Quality Control) Order, 2020 on 25 Feb 2020 through which toys have been brought under compulsory Bureau of Indian Standards(BIS) certification with effect from 1 Jan 2021. This QCO is equally applicable to domestic manufacturer as well as foreign manufacturers who intend to export their toys to India.

The imports under FTAs are allowed subject to prescribed Rules of Origin criteria under ASEAN-India Trade in Goods Agreement (AITIGA).

The Central Board of Indirect Taxes and Customs (CBIC) monitors the imports and preferential arrangements made under Free Trade Agreements (FTAs) including the India – ASEAN FTA. CBIC has implemented Customs (Administration of Rules of Origin under Trade Agreements) Rules, 2020 from September, 2020. The purpose of these Rules is to streamline the implementation of trade agreements. The Rules are applied in cases of reasonable doubt on the origin criteria not being met.

The data of exports and imports of India with ASEAN countries during the last three years is annexed. (Annexure-I)

(e) The Government of India is in discussion with ASEAN countries for initiating the review of ASEAN-India Trade in Goods Agreement (AITIGA) to seek more market access for Indian products. Indian exporters are being encouraged to participate in trade fairs/exhibitions in ASEAN countries with financial support under Market Access Initiative (MAI) scheme of Department of Commerce. The market access issues and trade barriers being faced in ASEAN countries and China are being regularly taken up with individual countries through bilateral engagements. The Government has also launched schemes such as Production Linked Incentive Schemes (PLIs) to promote domestic manufacturing capacities in critical sectors such as Key Starting Materials/Drug Intermediates, Active Pharmaceutical Ingredients apart from electronic components & mobiles, white goods (ACs and LEDs), Specialty Steel, Drones and Drone Components etc. These schemes will promote domestic manufacturing capacities and attract investment and reduce dependency on imports from other countries.

(c): Textile including apparel exports constitute a significant share in India's total exports. The share of textile and apparel exports was 10.52% of the total exports in 2021.

(d): Textile and Apparel export growth has been facing adverse impact of Covid pandemic and higher import tariffs in key markets such as European Union and United Kingdom as compared to zero duty access in these countries to competing countries like Bangladesh and Cambodia. Government has taken various supportive steps in this regard. Production Linked Incentive Scheme has been introduced for the sector with an approved outlay of Rs 10,683 Crore; Rebate of State and Central Taxes and Levies (ROSCTL) scheme has been extended and setting up of 7(seven) PM Mega Integrated Textiles Region and Apparel (PM MITRA) Parks has been approved to promote competitiveness of India's textile and apparel exports. In addition, on going FTA negotiations will also provide more favourable market access to products exported from India.
